

Complete Moving Guide

Important Information for Changing your Address

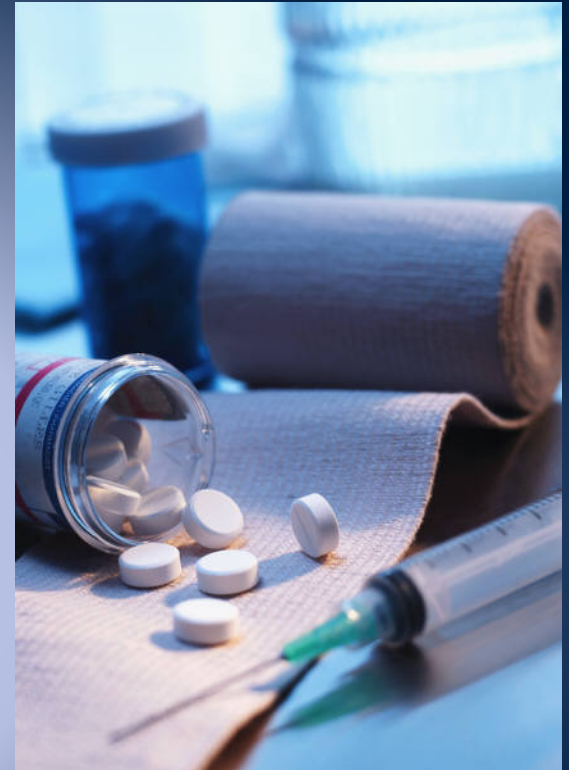

Start Planning two months in advance

- Sit down and create a budget
- Make a moving portfolio to stay organized
- Google information about your new neighborhood
- Email us to inquire on the best quote for moving companies (support@change-of-address-online.com)

Next Important Steps

- Notify Dentist, Doctors, Schools, etc.
- Ask for referrals or recommendations for new area
- Request to have records transferred to your new offices

One month until the big move. What's next?

- Call insurance agent to check new rates
- Donate items you will not be taking with you
- Check with your local retail store for boxes they are throwing out
- Notify utilities of your last day at current residence
- Research best rates for utilities and home phone and internet services in your new area

Notify any and all accounts and services (here is a list of the most popular)

- Banks
- Lawyers
- Doctors
- Vets
- Accountant
- IRS
- DMV
- Social Security
- Insurance
- Credit Card
- Gym Memberships
- Magazines
- Newspaper
- Bills
- Rent to Own
- Auto Loan
- Student Loan
- Monthly Subscriptions
- Bill to Address for Online Shopping accounts

Moving Day

- Do a final search of the old residence
- Leave a forwarding address and contact number in case anything is left or sent to old address
- Do a walk-thru of new residence making a checklist of any items needed or repairs to note.
- Change the locks on every door and update any security codes
- Enjoy your new home!
